# Debajit Mallick

Ex-Software Engineer @**BlackSpektro**, Software Engineer @**P360**

**Topic**

# Frontend: The Hard Parts

# Frontend Kya Hai????

- Mobile / Desktop
- Web

# Frontend Skills

- HTML5
- CSS3
- JavaScript
- React / Vue / Angular

# Software Engineering Skills

- Git / GitHub
- Google
- Command Line / Terminal

# What to do?

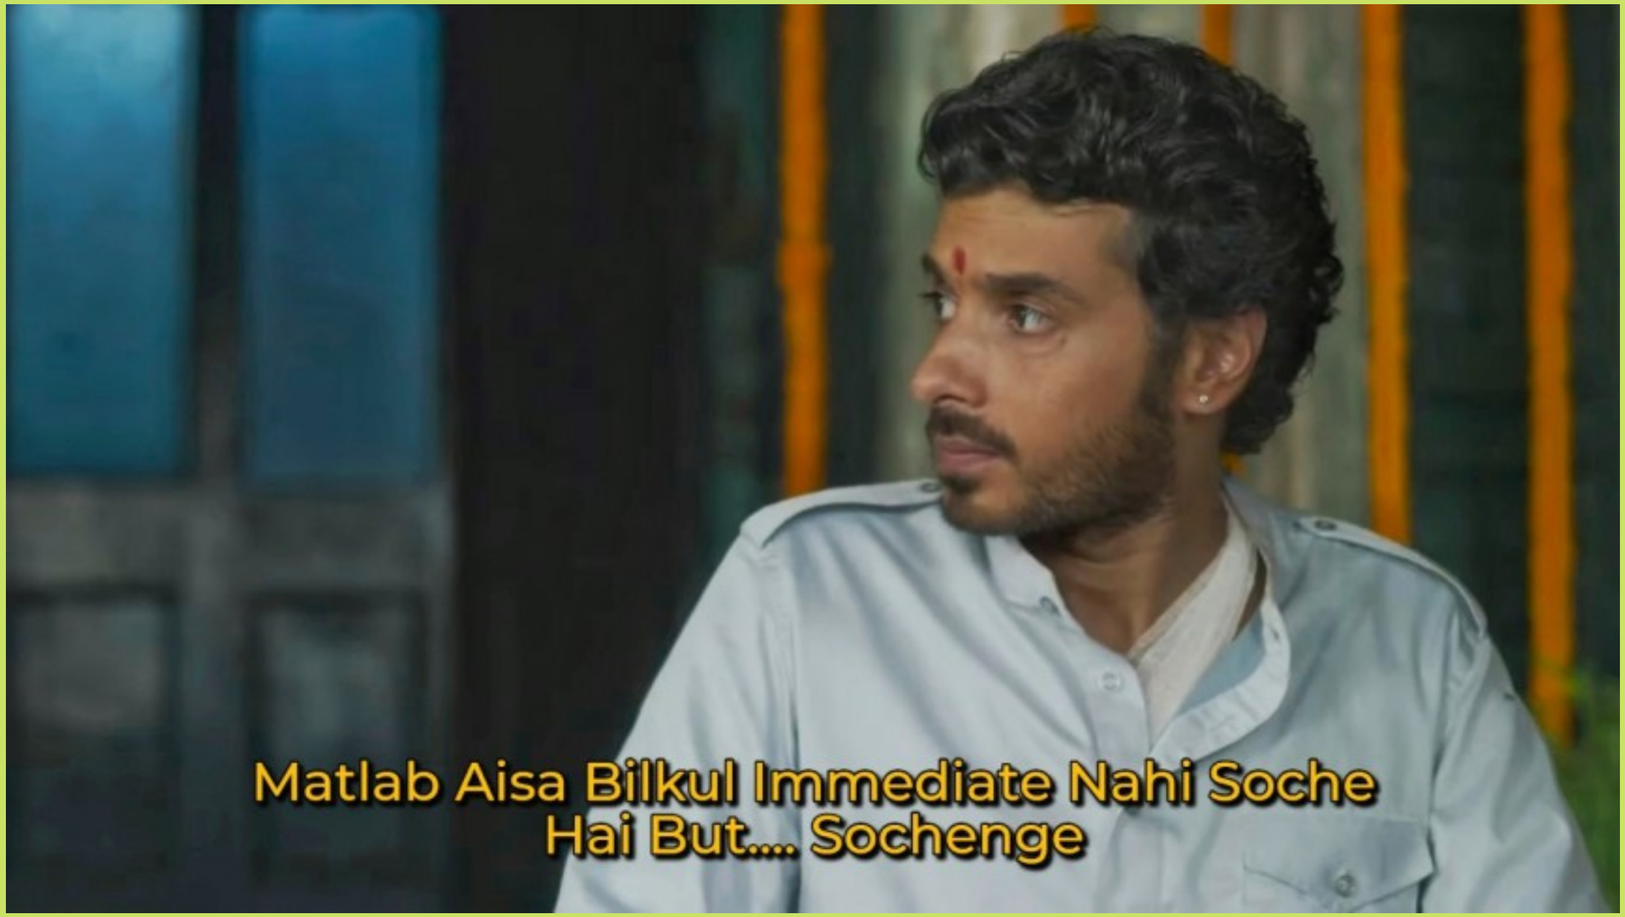
- Learn the skills
- Make 3-5 projects and host them on GitHub
- Update your GitHub profile and Linkedin Profile
- Apply to job portals to get internships and jobs. (Job Portals: angel.co, LinkedIn Jobs )

# Bas itne se job ho jata hai??

# My Journey

*Tension mat lo padhai ki bat nahi karunga

# 1st Year



# 2nd Year

# 3rd Year

# 4th Year

## REALIZATIONS

- Don't invest 100% in studies
- Make good friends
- Learn skills other than coding
