# All About Git and Github

**CHALIYE  
SHURU  
KARTI HAI**

# **What is Git????**

Git is a distributed version control system

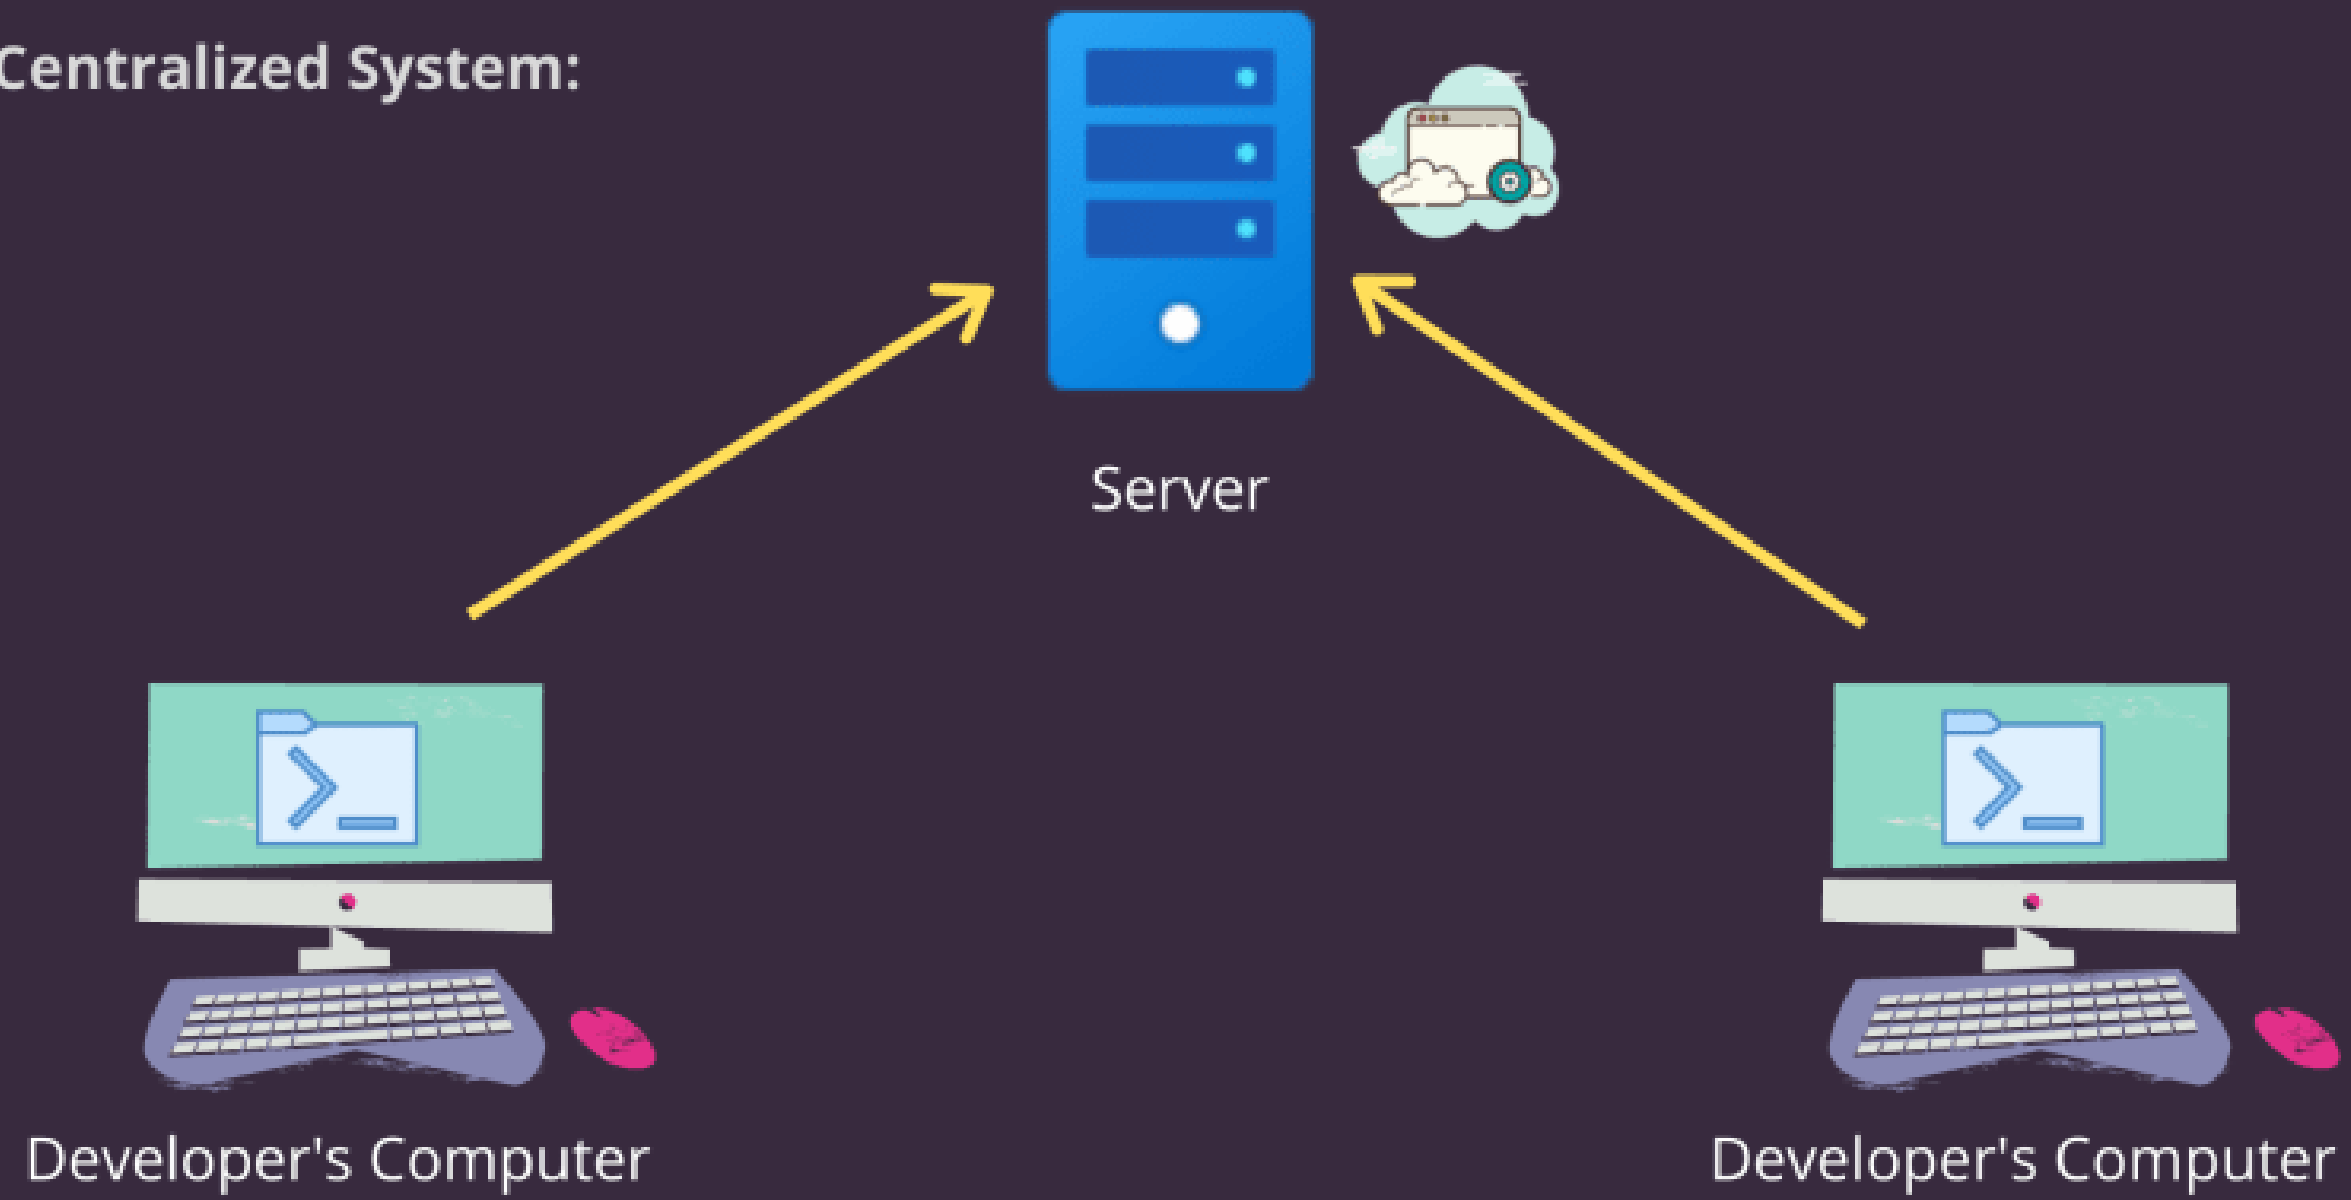

**Ya kya hai....**

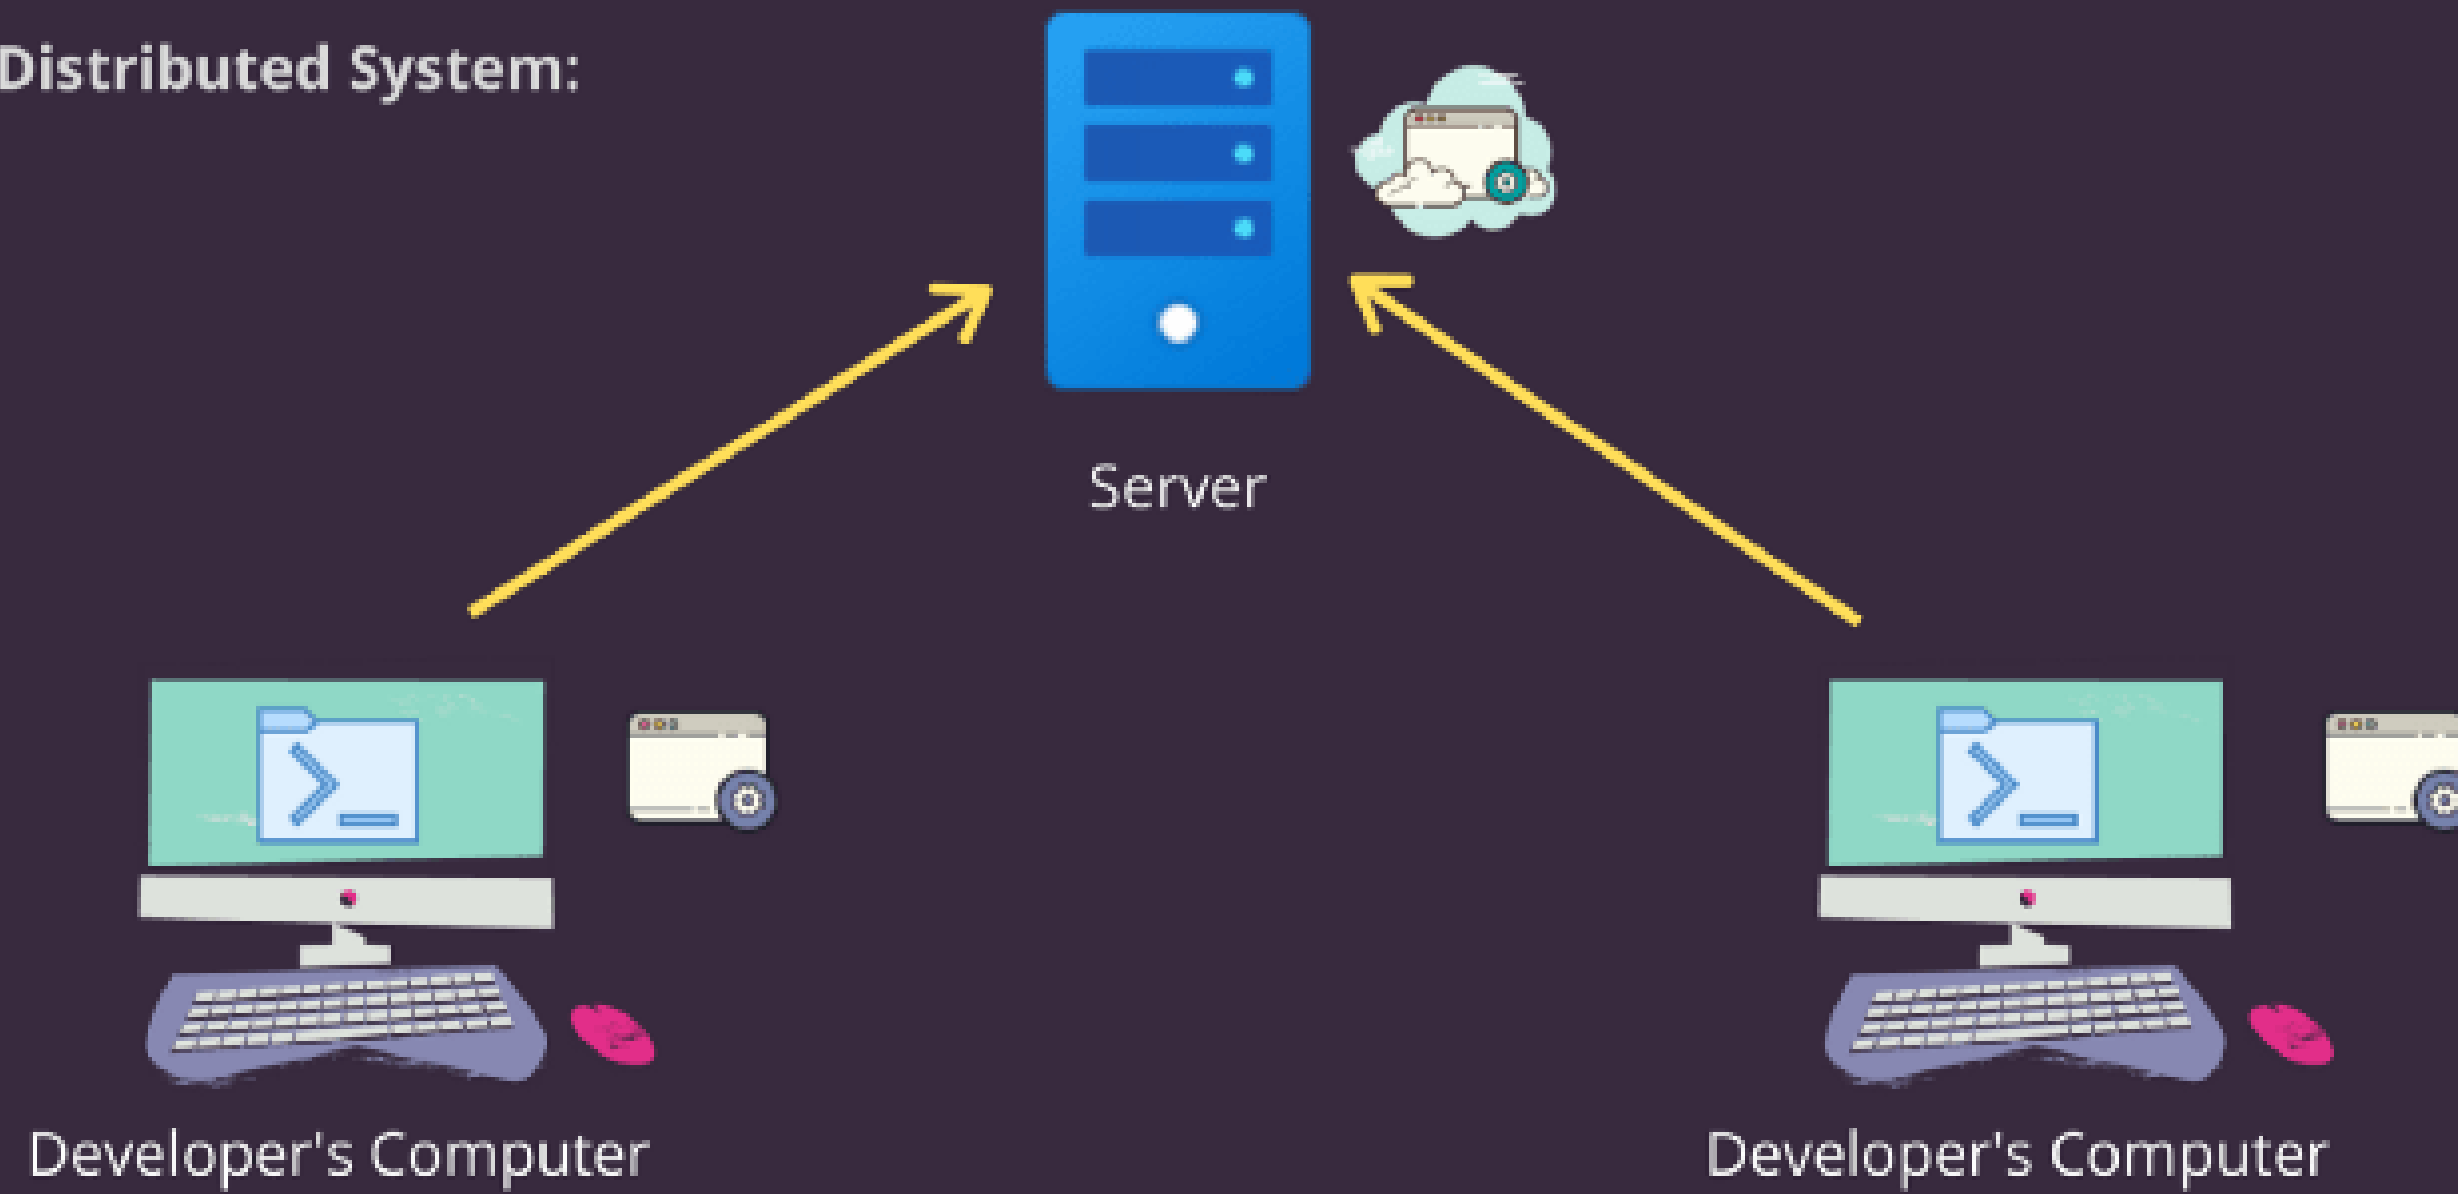

# System

1. Centralized System
2. Distributed System

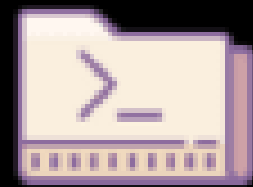

Centralized System:

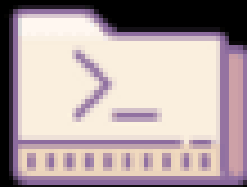

Distributed System:

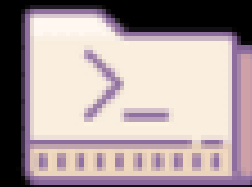

## Before Learning Git:

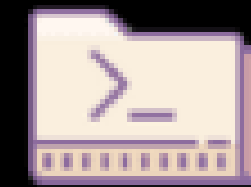

Project

Pre Final Project

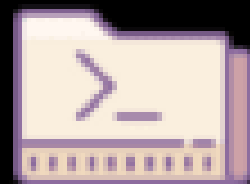

Final Project

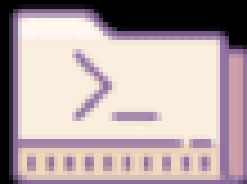

Final Final Project

## After Learning Git:

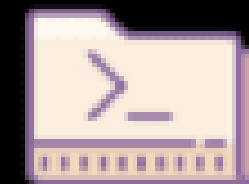

Project

v 1.0

v 1.1

v 9.6
